

REMARKS

Applicant expresses appreciation to the Examiner for consideration of the subject patent application. This amendment is in response to the Office Action mailed February 28, 2006. The claims have been amended to address the concerns raised by the Examiner.

Claims 1-44 were originally presented. Claims 10-23 remain in the application. Claims 1-9 have been cancelled and 24-44 have been withdrawn without prejudice.

Election/Restriction Requirements:

In response to the election requirement of February 28, 2006, the Applicant elects invention II, species I, without traversal. The claims considered readable thereon being claims 10-23.

CONCLUSION

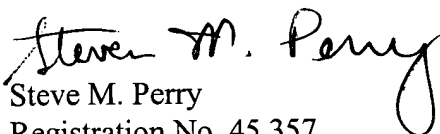

In light of the above, Applicant respectfully submits that pending claims 10-23 are now in condition for allowance. Therefore, Applicant requests that the rejections and objections be withdrawn, and that the claims be allowed and passed to issue. If any impediment to the allowance of these claims remains after entry of this Amendment, the Examiner is strongly encouraged to call Steve M. Perry at (801) 566-6633 so that such matters may be resolved as expeditiously as possible.

Thirty-two claims were cancelled or withdrawn, while no claims were added. Therefore, no additional fee is due.

The Commissioner is hereby authorized to charge any additional fee or to credit any overpayment in connection with this Amendment to Deposit Account No. 20-0100.

DATED this 30th day of March, 2006.

Respectfully submitted,

Steve M. Perry
